What if I am an immigrant?

Even if you do NOT have a Social Security Number, you can get payments for your children who have Social Security Numbers. Under current law, receiving the Child Tax Credit or other tax credits will not affect your immigration status, ability to get a Green Card, or future immigration plans.

Had a baby in 2020 or 2021?

You should sign up!

Did you get monthly money from the IRS in 2021 for your kids (\$250 or \$300 per month per child)? That was just the first part of your money. You have to sign up again in 2022 to get the rest of your money.
